Subject: Lynn Canal Hwy

To whom it may concern,

The construction of the Lynn Canal Highway project will benefit Alaskan's for generations. It gives everyone better access to the legislature, access to recreational opportunities previously not available, the ability to travel on your own schedule, and will reduce the DOT budget for ferry service. I urge you to move this project forward. John Brown 814 Austin St. Fairbanks AK, 99701 (907) 590-0614
